

Message from the President of the Federal Economic Development Agency for Southern Ontario (FedDev Ontario)

This document, the 2009-2011 Report on Results, Implementation of section 41 of the *Official Languages Act* contains information about the achievements and activities undertaken since the Agency was created in August 2009.

Among our many activities, I would like to stress that I appointed our first Official Languages Champion, Jeff Moore, who has shown his leadership within the Agency in applying every facet of the *Official Languages Act*.

I am satisfied with the efforts we have made since the Agency's creation and with our continued progress in promoting the development of official language minority communities in Southern Ontario.
