## Regional Innovation Ecosystem

### We are looking for:

- Not-for-profit organizations fueling an entrepreneurial environment conducive to business innovation and growth.
- Regional economic stakeholders promoting the entrepreneurial talent of underrepresented groups, including women, Indigenous peoples and young entrepreneurs.

### Applications can be submitted for:

- Non-repayable contributions from \$500,000 up to \$10 million per project.

### Funding is available to:

- Grow and sustain strategic clusters and consortia that are supporting businesses to scale up and commercialize innovative products, technologies and services.
- Enhance the development and reach of business incubators, accelerators, and other organizations that are supporting entrepreneurs, start-ups and innovative companies with high-growth potential.
- Support projects led by innovation-oriented organizations to increase and promote business productivity and global competitiveness, and investment and talent attraction.
